

**Professional Licensure Disclosure**  
**Lewis University Nursing B.S.N., M.S.N., D.N.P.**

Lewis University has compiled the following resources to ensure students have information about educational requirements for professional licensure and certification in all U.S. states. The charts below provide links to state licensing agencies and boards of higher education, and reports whether Lewis’s curriculum meets the requirements for licensure and certification. Examinations may be required. Students interested in professional licensure, in Illinois or another U.S. state or territory, should inform themselves about licensure requirements in the state or territory in which they intend to live and work.

**State by State Licensure Requirements**

The chart below details whether Lewis University’s curriculum, if completed according to the requirements in the Lewis University Catalog, meets the licensure and certification requirements in U.S. States and Territories. Links are provided to state licensing boards for those seeking information about requirements in a particular state.
